## Section 3 – External Auditor Report and Certificate 2020/21

In respect of

Chesham Town Council - BU0045

### 1 Respective responsibilities of the body and the auditor

This authority is responsible for ensuring that its financial management is adequate and effective and that it has a sound system of internal control. The authority prepares an Annual Governance and Accountability Return in accordance with *Proper Practices* which:

- summarises the accounting records for the year ended 31 March 2021; and
- confirms and provides assurance on those matters that are relevant to our duties and responsibilities as external auditors.

Our responsibility is to review Sections 1 and 2 of the Annual Governance and Accountability Return in accordance with guidance issued by the National Audit Office (NAO) on behalf of the Comptroller and Auditor General (see note below). Our work **does not** constitute an audit carried out in accordance with International Standards on Auditing (UK & Ireland) and **does not** provide the same level of assurance that such an audit would do.

### 2 External auditor report 2020/21

Except for the matters reported below, on the basis of our review of Sections 1 and 2 of the Annual Governance and Accountability Return (AGAR), in our opinion the information in Sections 1 and 2 of the AGAR is in accordance with Proper Practices and no other matters have come to our attention giving cause for concern that relevant legislation and regulatory requirements have not been met.

The smaller authority has submitted its AGAR and supporting documentation prior to 30 September 2021; however, we have not been able to complete our review work in time to enable the smaller authority to publish the required documentation in line with statutory requirements. Once we have completed our review a final report will be provided with the certificate of completion detailing any qualifications and 'other' matters.

An invoice for the statutory annual review fee (and chaser letter charges where they apply) has been issued with this interim certificate. This interim invoice may be settled prior to us certifying completion and issuing our final report and certificate. Should we receive challenge correspondence before we have certified completion, any additional fees arising from additional work required as a result of that correspondence will be invoiced with the certificate of completion; where no additional fees apply a zero invoice will be issued on completion.

Other matters not affecting our opinion which we draw to the attention of the authority:

Please see above.

### 3 External auditor certificate 2020/21

We do not certify that we have completed our review of Sections 1 and 2 of the Annual Governance and Accountability Return, and discharged our responsibilities under the Local Audit and Accountability Act 2014, for the year ended 31 March 2021

We do not certify completion because:

we have not been able to complete our review work in time to enable the smaller authority to publish the required documentation in line with statutory requirements.

\* Note: the NAO issued guidance applicable to external auditors' work on limited assurance reviews in Auditor Guidance Note AGN/02. The AGN is available from the NAO website ([www.nao.org.uk](http://www.nao.org.uk))

## Final External Auditor Report and Certificate 2020/21 in respect of Chesham Town Council BU0045

### Respective responsibilities of the body and the auditor

Our responsibility as auditors to complete a **limited assurance review** is set out by the National Audit Office (NAO). A limited assurance review is **not a full statutory audit**, it does not constitute an audit carried out in accordance with International Standards on Auditing (UK & Ireland) and hence it **does not** provide the same level of assurance that such an audit would. The UK Government has determined that a lower level of assurance than that provided by a full statutory audit is appropriate for those local public bodies with the lowest levels of spending.

Under a limited assurance review, the auditor is responsible for reviewing Sections 1 and 2 of the Annual Governance and Accountability Return in accordance with NAO Auditor Guidance Note 02 (AGN 02) as issued by the NAO on behalf of the Comptroller and Auditor General. AGN 02 is available from the NAO website – <https://www.nao.org.uk/code-audit-practice/guidance-and-information-for-auditors/>.

This authority is responsible for ensuring that its financial management is adequate and effective and that it has a sound system of internal control. The authority prepares an Annual Governance and Accountability Return in accordance with Proper Practices which:

- summarises the accounting records for the year ended 31 March 2021; and
- confirms and provides assurance on those matters that are relevant to our duties and responsibilities as external auditors.

### External auditor report 2020/21

On 29 September 2021, we issued a report detailing the results of our limited assurance review of Sections 1 and 2 of this authority's Annual Governance & Accountability Return for the year ended 31 March 2021. We explained that we were unable to certify completion of the review at that time. We are now in a position to certify completion of the review.

The external auditor report given in Section 3 of the Annual Governance & Accountability Return requires amendments as follows:

Except for the matters reported below, on the basis of our review of Sections 1 and 2 of the Annual Governance and Accountability Return (AGAR), in our opinion the information in Sections 1 and 2 of the AGAR is in accordance with Proper Practices and no other matters have come to our attention giving cause for concern that relevant legislation and regulatory requirements have not been met.

The AGAR was not accurately completed before submission for review. Please ensure that amendments are corrected in the prior year comparatives when completing next year's AGAR.:

- A credit card balance of £3,239 as at the year end has been incorrectly included as a reconciling item in the bank reconciliation rather than being treated as a creditor at the year end. The figure in Section 2, Box 8 for the current year should read £1,149,031.

Section 1, Assertion 5 has been incorrectly completed. The smaller authority has confirmed that a risk assessment review did not take place during 2020/21. As a result, the response to this Assertion should have been 'No'. The internal auditor also drew attention to this matter by answering 'No' to internal control objective C in the Annual Internal Audit Report. The smaller authority has confirmed that this has been rectified since the year end.
